PALM BEACH JUNIOR COLLEGE
WEST PALM BEACH, FLORIDA

FOREWORD

FORWARD and not a backward glance has made possible the attainment of the GALLEON of 1948 in which we have attempted to give you, the reader, a host of memories to be recalled in future days. We hope the coming years will hold success for each of you in your attempt to make for yourself a distinctive place in our one world, and that this GALLEON will serve as a symbol of the initial phase of your college career.

IN RECOGNITION

ESTHER C. HOLT

TO THESE TWO GO THE GRATITUDE
AND APPRECIATION OF THE STUDENTS
OF PALM BEACH JUNIOR COLLEGE

TO MRS. HOLT

For her ever-present executive ability
and inspiring management, the lack of
which would have proven an enormous
deficit to the Sophomore Class.

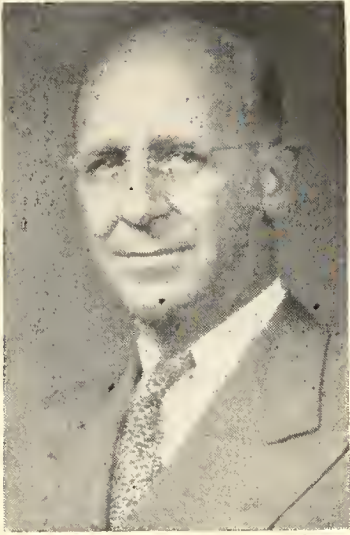

AND, TO MISS HAMON

For her capable guidance of the Fresh-
men Class in their initial year.

HISTORY

WE, as members of the graduating class of 1948, have more to remember about the expansion of Palm Beach Junior College than any other class, for we took part in it. We saw our college emerge from a small two building institution to a college whose many buildings are enhanced by a beautiful and spacious campus.

We began our college career in September of 1946; and, as the first phase of our educational program, underwent a period of orientation. At our first class meeting we elected Bob MacDonald to serve as our president.

A peppy Virginia reel at the first dance, September 27, gave us an opportunity to get acquainted with one another; and, as a follow-up, the student body sponsored a Halloween dance at the Armory. Teams of baseball, basketball, swimming, and tennis were organized and in the course of the year proved to be outstanding. For the first time in PBJC history, cheerleaders were elected to stir up school spirit.

Social activities were increased by the addition of the Thi Del Cluo, while the Philo Club and the Phi Da Di Fraternity, each well established, expanded their activities to meet the enlarged enrollment. The Esquire Club sponsored a Negro Football Game, all proceeds going to the athletic fund.

In the latter part of December, we attended the annual Christmas Dance at the Norton Art Gallery. This was a gala occasion which afforded pleasure for all.

Returning to school in January, the entire student body prepared for some tough exams. Soon afterwards the Co-Eds gave a patio party and dance at the SUB following the Orlando basketball game.

In the early months of 1947, the Junior Chamber of Commerce sponsored a campaign to sell Junior College basketball tickets. The campaign was climaxed March 7 with a dance at the Lake Worth Casino.

On April 11 the Philos gave their Spring Formal at the Norton Art Gallery and at this time initiated their traditional Arch Dance.

Activity Day was the big day of the year. That day the entire student body traveled to Greynolds park in Miami where everyone had a marvelous time eating, canoeing, swimming, and just loafing.

The last month and a half of the college year was crammed with hurried activities. The highly successful BLACKLIST OF 1947 was produced; the Freshman Class was host to the Sophomores at the annual Freshman-Sophomore Banquet held at the George Washington Hotel; the queen of PBJC was crowned at the Esquire Dance; and the final Commencement Dance, sponsored by the Thi Del Club, was held at the Norton Art Gallery.

THE big year for us, our Sophomore year, came on with a bang and with a steady stream of activities from the first. Bill Chickering was elected president of the student body.

Again the Philo Club, Phi Da Di Fraternity, and Thi Del Club were active and eagerly participated in all the college functions. A new social club, The Egalite, joined the other three on the campus.

It was during this year that the student body so capably handled, with the assistance of the Junior Chamber of Commerce, the Florida-Georgia Football Game. On November 29 the Esquires were hosts at their first beach party of the year at Manhattan Beach. This was followed by a Sadie Hawkins Field Day given by the Co-Eds at the prospective SUB at Morrison Field.

Christmas came again and along with it another student body dance at the Norton Art Gallery and banquets at the South Ocean Club by the Philo and Thi Del Clubs. But happy vacations were soon forgotten to concentrate on mid-semester exams. These in turn were forgotten when on January 16 the Gene Krupa Dance was held at the Morrison Field PX. The proceeds from this dance helped to furnish our new SUB.

Second semester rolled around and found us moved to our new campus at Morrison Field. Rat Week was replaced by Rat Day, at which time the freshmen were made quite unrecognizable.

The PBJC Minstrel was presented on the 19th and 20th of March; and, on April 11, open house was held in order that the people of Palm Beach County could familiarize themselves with our new college site.

February 14 the Thi Dels gave a St. Valentine's Dance at the SUB, this dance being followed on March 12 by the annual Philo Ball. The Co-Ed Club sponsored a successful style show, using Junior College girls to model the latest fashions in resort wear. Pre-commencement activities were climaxed by the Lettermen's Sweetheart Dance, April 16; the Esquire Dance, May 14; the Phi Da Di Banquet at Leon & Eddie's, May 17; the Freshmen-Sophomore Banquet at the South Ocean Club, June 7; and the Sophomore Breakfast at Howard Johnson's, June 7.

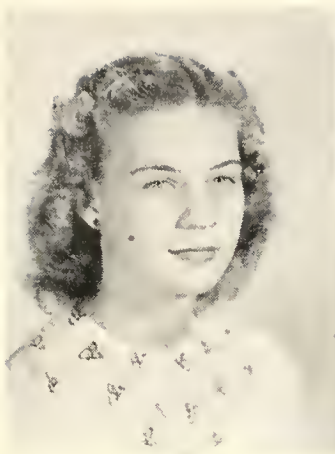

And then graduation was here. Baccalaureate Services were held at the Memorial Presbyterian Church and the Commencement Exercises in the quadrangle at the college. Commencement was followed by a reception in the patio and a dance in the SUB honoring the 58 members of the graduating class.

We all hate to say "goodbye" to Junior College, but we'll take with us wherever we go the knowledge we have received here and a memory packed with the fun we had at GOOD OLE PBJC.

CONGRATULATIONS TO THE GRADUATES

MIDNIGHT OIL . . .

It takes lots of studying to get ahead in school. In the business world it takes plenty of studying, too. How to serve our customers better, more efficiently. How to make their tough jobs easier. How to improve our service and cut our prices so that *everyone* can enjoy *all* the advantages of "living electrically."

And just as your studying "pays off" in better grades and a better education . . . our studying pays off in making our state a better, more pleasant, more prosperous place in which to work and live.
